

FRIENDS OF CHISLEHURST & WALDEN RECREATION GROUNDS

If you:

- use the park, and/or
- are interested in how it can be preserved and enhanced for the benefit of the local community, and/or
- would like to contribute to ideas for improvements or events

... we would love to welcome you as a "Friend".

For example, we are hoping that a new and more exciting playground can be built this year, and maybe even an outdoor gym at a later date!

Our annual membership subscription is only £5 per household!
