WELCOME TO
THE CHISLEHURST SOCIETY BEAR TRAILS

There are now so many bears in Chislehurst that we have set up two bear trails. The maps for both are on this sheet. We have started and finished the trails at the Old Chapel, just off the High Street, but you can start wherever you like.

Not all the routes are fully accessible and some paths pass over grass or through woodland, so please wear appropriate shoes and take care.

Our thanks go to Will Lee for carving the bears.
For further information about the bears, the trails and the Chislehurst Society please visit our website: chislehurst-society.org.uk

Have fun finding our bears and please send us photos of your adventures to: socialmediachissoc@gmail.com
